

Wild Marsh Kids & Clays

Begins Tuesday April 16, 2019 ~

5:30 registration, 6:00 class,

ages 5th — 12th grade:

Kids & Clays Shooting Season Tuesdays April 16—June 25, 2019. 6:00 PM

We will host two classes.

Class 1 Grades 5 & 6 will learn basic clay target shooting in a fun and supervised atmosphere shooting 25 targets each session and advancing to 50 targets half way through the season for a total of 300 targets.

Class 2 Grades 7—12 will practice basic clay target shooting in a fun and supervised atmosphere but encouraged to shoot in a more challenging format of 50 targets each session for a total of 400 targets.

All Students can participate in a fun Sporting Clays League and have an opportunity to enter one of several youth competitive tournament designed just for them. To participate in the league you must shoot all sessions on time by posting each session before the next one begins. Only those that post scores on time will be added to the league and compete for league trophies and prizes. All students participating in our Kids and Clays program will receive a participation ribbon. June 25, 2019 will be the end of the season awards picnic. We will have a potluck picnic followed by the league awards and drawings. We will conclude the evening with 2 fun shooting games. Parents are encouraged to join in on this night.

For complete details contact Debbie at Wild Marsh Sporting Clays, 320-743-4960.

Head Coach: Mike Ganz 320- 743-3479

Thank you to all our League Sponsors for allowing us to make our league party grand. Thank you to Instructors Mike, Bruce, Tom, Myron, Greg & Jim and parents for volunteering your time to teach and help our Wild Marsh Youth about shooting. Thank you members for your continued belief that Wild Marsh is a great place to shoot. Join us in 2019 for our 30th season.
